FEATURES

- BeoLink Multiroom**

Create a wireless multiroom setup around BeoSound 1 by combining it with a range of our BeoLink Multiroom products. The BeoLink Multiroom technology is integrated and ready.
- 360-degree sound**

BeoSound 1 delivers a sonic sound performance. Applying our Acoustic Lens Technology into the conical speaker body creates a 360-degree sound image that will fill the room from any position.
- Proximity sensor**

The integrated proximity sensor detects the user’s position allowing uniform and intuitive operation with the touch wheel from any direction.
- Operation**

Tap, turn and swine. Use the touch-sensitive wheel to easily start your favourite
