

DM602.5 S3

B&W
Bowers & Wilkins

The DM602.5 S3 is the entry-level floorstander of the range and a new model for Series 3. Superficially incorporating the same drive units as the bookshelf DM601 S3, the bass /midrange in fact uses a larger magnet. Together with the larger cabinet volume, this gives a more extended bass response with a different freefield alignment, more suited to the floorstanding format. Ideal for small to medium size rooms, the elegantly slim DM602.5 S3 eliminates the need for a separate stand and retains a compact footprint.

<i>Description:</i>	2-way vented-box system	<i>Impedance:</i>	8Ω (minimum 3.0Ω)
<i>Frequency range(-6dB):</i>	40Hz and 42kHz	<i>Dimensions:</i>	H 850mm W 204mm D 288mm H 33.5" W 8.0" D 11.3"
<i>Power handling:</i>	100W into 8Ω	<i>Weight:</i>	14.5 kg / 31.9 lbs.
<i>Sensitivity:</i>	88dB spl (2.83V, 1m)
