

MUSIC STREAMER

EIDOS STREAMER

STREAM THE EXTRAORDINARY

As online music streaming becomes central to modern listening habits, the demand for high-quality streaming equipment has never been greater. The Eidos Streamer meets this need by offering both the convenience of internet streaming apps and the superior sound quality that audiophiles expect.

MUSIC STREAMER

EIDOS STREAMER

MODERN CONVENIENCE

Seamlessly integrating your music library, streaming services, and various playback devices, the Eidos Streamer is easily controlled through the Roon app, downloadable on smartphones, tablets, and desktops. With Roon, your music collection is beautifully organized, whether stored on the Eidos Streamer's 8TB generous internal storage or streamed via TIDAL and Qobuz.
