Features and Benefits

Dolby Atmos® Music for 3D spatial sound

The Harman Kardon Enchant Wireless Speaker offers a superior 3D sound experience with Dolby Atmos® Music. Its angled side and up-firing drivers radiate immersive height effects for room-filling sound with a minimal footprint.

Bluetooth™ and Wi-Fi with AirPlay, Chromecast built-in™ and Spotify Connect

Stream your music the way you prefer. Set-up an instant connection between your phone or other devices using Bluetooth or make use of the Harman Kardon Enchant Wireless Speaker's built-in Wi-Fi. This allows you to stream music uninterrupted and in high quality. The Enchant Wireless Speaker works with AirPlay, Chromecast built-in™, and Spotify Connect, so you can listen to the music streaming service of your choice with the best possible sound.

Distinguished design

The Harman Kardon Enchant Wireless Speaker features more than fantastic sound. Its beautiful design makes it a joy to have in your home, blending seamlessly with nearly any style of decor without dominating the room. This attention to detail is evident throughout the design, from its sleek minimalist form to the striking control panel that's wonderfully easy to use.

Automatic sound calibration

Enjoy great sound in any room. No matter where you place the Harman Kardon Enchant Wireless Speaker, it automatically calibrates itself in silence whenever it is powered on to give you the best sound quality for any space. Just sit back and listen.

Harman Kardon One App

The Harman Kardon One app helps you easily set up the Harman Kardon Enchant Wireless Speaker, personalize audio settings, and browse the integrated music services to find your new favorite playlist. You can also customize EQ and control all your compatible speakers in one convenient place.

Made in part with recycled materials

The Harman Kardon Enchant Wireless Speaker is made with 90% recycled plastic, 80% recycled aluminum, and 100% recycled polyester yarn. It's Energy Star-certified and it's packaged in FSC-certified paper printed with soy ink.

Multi-channel surround sound

The Harman Kardon Enchant Wireless Speaker provides 3D spatial sound all by itself. But why stop there? Add a second Harman Kardon Enchant Wireless Speaker as a pair for even more immersive Dolby Atmos® Music sound. Or use them with a Harman Kardon Enchant 900 or Enchant 1100 soundbar and Enchant Sub for a 5.1.4 channel home theater system.
